The Bizarre World of Tattoos

By David J. Stewart

"Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the LORD." —Leviticus 19:28

I recently watched a *History Channel* segment on tattoos. I couldn't help but feel sympathy for what Satan influences people to do to themselves. It is a sin to mutilate the human body with skin markings (Leviticus 19:28).

Perhaps the most bizarre thing people are doing to mutilate their bodies today is having their eye-balls tattooed. This is just insanity! The picture to the right is an actual photo.

Tattoos historically been associated with criminals, street gangs, the military, whores, and barbarian island cultures. At a minimum, getting a tattoo shows one's worldliness.

It is no coincidence that tattoos are becoming extremely popular around the world today. The Bible foretells that the Antichrist will require the inhabitants of the earth to receive a MARK in order to buy or sell anything (Revelation 13:17). Hence, the world's masses are being prepared now to receive the *Mark of the Beast* when the Antichrist comes.

No Christian who loves the Lord Jesus Christ should ever get a tattoo. It is a symbol of allegiance to Satan. If you have a tattoo, you ought to have it removed by laser. Tattoos are of the Devil. They are evidences of worldliness.

Now they even have glow-in-the-dark ultraviolet tattoos in Hollywood. It is disturbing. Japan's criminal underground is closely associated with "body tattoos" which cover the entire human body. Ta Moko is becoming increasingly popular, in which the entire face is covered by tattoos. This is a shame. If God wanted us to have skin-markings, then He would have put them there. In addition, there are some serious potential health risks associated with tattoos.

Satan is laughing while foolish people are having their tongues surgically split into two. They do this for no other reason that to "freak people out," and it certainly does. God meant for Christians to be *a peculiar people, zealous of good works* (Titus 2:14) ; but He never intended for us to be freaks and weirdoes that mutilate our bodies. Tattoos are immature. As more people are getting tattoos, more people are wanting tattoos. It's stupid. Sensible people don't get tattoos.

Just by taking a closer look at the type of people getting tattoos is proof that they're of the Devil. Most of the tattoo artists which I've seen are head-shaven freaks themselves, covered with marks upon their entire body. Tattoos are very popular in Buddhism, street gangs, criminal underground organizations, amongst punks, et cetera. Tattoos are commonly associated with immoral people, thugs, and losers. To no surprise, some apostate churches are endorsing tattoos. This comes as no surprise, considering that some of today's apostate churches are pastored by homosexuals.

Most importantly, God said not to get tattoos... "*Ye shall not make any cuttings in your flesh for the dead, **nor print any marks upon you**: I am the LORD*" (Leviticus 19:28). As expected, some people today pervert the Scriptures, claiming that the Bible doesn't mean what It says. God said what He meant, and meant what He said. No tattoos!
